

4-Rail Blocks

This simple 4-Rail block is easy to piece and a great use of scrap fabric. It is also very versatile. Use 2-4 contrasting colors 1.5" wide and 4", 6", or 8" long. Sew strips together by long sides.

Using this block alone in a simple layout alternating the direction of the blocks.

Using this block with a solid alternating block of the same size.

Using this block with a 4-patch block.
